Re: Request for Animal Accommodation

I understand and agree that Lauderdale West is a pet free community as per the Association Documents and therefore I am requesting an accommodation from the Association for my _____ (animal breed) named _____.

I have provided the Association with this signed and notarized request as well as a letter from my physician indicating my need for such animal. I have also provided a photograph, license, and vaccination record for this animal.

I understand and agree that I am responsible to maintain the license and vaccination record for this animal and that I may not replace this animal with another animal until I have received written board approval.

I understand and agree that all animals must be personally attended to on a leash when outside my home and that I am not permitted to tether this animal on any area in the community which includes my porch and patio.

I understand and agree that I have a homeowner's insurance policy to cover any liability, as a result, of this animal being in my home.

I understand and agree that any animal that poses a nuisance or threat to the community must be removed upon notice.
