

## KEEP A LOOKOUT FOR OUR NEW PATIO AREA

We're making some changes here at Lauderdale West. One of which is creating a patio area outside the main pool. As the basketball hoop is rotting away, we must remove that and are installing two picnic tables with umbrellas for those using the pool who may wish to bring snacks or drinks (no alcoholic beverages, please!).

Thanks go out to the Lauderdale West Social Club and Southern Coatings, Inc. (SCI, our roofers) for their generous donation of the picnic tables! Kudos to them!

As you know, food and drinks, other than water are not allowed in the pool area as well as anything in glass containers. We would appreciate nothing in glass containers in the picnic area.

This is something else to enjoy with your family and friends here in Lauderdale West!
