BULK PICKUP

Tuesday, December 11, 2018

Tuesday, January 8, 2019

Bulk Pick Up should not be put out until Monday afternoon, AFTER 5 pm, as LW does not need to look like a junk yard. Place bulk pick up AWAY from the mailboxes.

Thank you for your cooperation.

BULK PICKUP GUIDELINES

(as per the City of Plantation Waste Disposal Department)

Bulk Pick Up will **NOT** pick up the following:

- Electronics, Glass, Mirrors, Paint cans, X-rays
- Any construction materials - including dry wall.
- You should not box anything – place in the clear City of Plantation bags.
- You can put empty cardboard boxes out.

GARBAGE PICK UP

Tuesday - blue bags and clear recycle bags

Friday - BLUE bags ONLY

Once a month - bulk pick up

FYI – by Plantation Code,

you need a permit to make any plumbing or electrical changes. LW is not responsible to fix a problem if you did not get a permit.

A permit assures a plumbing or electrical change is done properly – to code. It is for your protection.

MODIFICATION NEWS

If you are doing any modifications to your home, SFH or plex, you need to fill out the Lauderdale West paperwork and have it approved by the Board. If you are not available to come in during regular hours, 9 am – noon, you can call Kristi Woods, 954-473-8219, ext. 109, during the morning hours and set up an appointment.

Any resident doing any improvement, including hurricane modification, is asked to fill out a form BEFORE the modification so the information about your unit is up to date in the LW files and proper permits may be obtained.

If your modification causes a problem, such as a leak, you are responsible for the repairs.

BOARD NEWS & ANNOUNCEMENTS

FROM THE PRESIDENT'S DESK....

From Joanne Hill

Your Board of Directors are diligently working to complete our 2019 budget. While our meetings are open to all owners, sadly, only one or two people attend those meetings. Yes, I am aware that many residents work but many don't. I can only cull from this that our residents believe the Directors act with the best interests of the owners in mind – which we do. Our Annual Budget Meeting will be held on Monday, December 10th at 7:30 PM in the auditorium. Please attend.

Five director positions will be open in March. A First Notice will be in the mail to all owners in January outlining the process. As I'm sure you are aware, the Board is made up of all volunteers; we have no management company; and we work every day to run the business that is Lauderdale West. All owners are welcome to run. Just be aware that it is a commitment and you will work very hard for the present and future of our Community.

The showing of movies in the clubhouse has been cancelled due to the fact that we do not have a license to run them. It does not matter whether or not we charge residents to view them. We are looking into obtaining the appropriate license but the cost may be prohibitive for the number of people who attend. We will keep you posted.

As of this writing, we are still working with our insurance company to complete the Hurricane Irma settlement. We have received monies to replace over 100 plex roofs that were damaged and are working to settle the rest of our costs, such as cleanup; irrigation repairs; tarps; mailboxes and posts; light posts; air conditioners and the like. Our property insurance policies have a 2% deductible. We hired a private insurance adjuster to maximize our recovery with the insurance company. And, of course, there are always attorneys' fees involved. Therefore, whatever settlement we reach may not be enough to cover all our expenses. We do have a total of \$120,000 in our budget to offset some of those deductibles and costs.

Having said that, we may have a shortfall in our budget because of Hurricane Irma. I don't want to alarm anyone but I need you to be aware that an assessment may be required at some point in the future. One way to deal with that is, right now, check your insurance policy to be sure you have loss assessment coverage. This coverage may provide a portion of the funds for whatever assessment is needed. If you do not have loss assessment coverage, you can still obtain it but make the call to your insurance agent now. As long as you have the coverage before any assessment is levied, you will be covered.

Our Painting Chairman, George Hill, has submitted his painting plan for 2019. We will be painting 82 single family

homes; 10 duplexes and 9 fourplexes. Approximately 105 older tile roofs will be cleaned and 90 newer tile roofs. We will be treating a number of plex shingle roofs. I personally want to thank George for his hard work and dedication to Lauderdale West.

We have upgraded our telephone system in the clubhouse and maintenance building. As anyone who has tried to call us is aware, we have had many problems with the current system: you are not able to reach either maintenance or the main clubhouse; calls dropping; busy signals, just to name a few. We discovered the problem was new technology with old phones. We have purchased and installed new phones and we're up and running again!

If you use the fitness room, you will notice we have two new pieces of equipment. We purchased a Spirit CE800 recumbent cycle and a Spirit CR800 elliptical trainer. I hope this will encourage more people to utilize our fitness room and get healthy. Please use these with caution as with all other equipment in our fitness room.

The Board is looking into trading in our current bus for a new, smaller bus. We do not have the need for such a large bus any longer. Ridership is down and we no longer have clubs or organizations that regularly use the bus. We will save money on gas and the driver will not need a special license to operate it. The new bus will, of course, be wheelchair and handicapped accessible. Basically the same design – only less seats.

Bushes, flowers, trees, statues and the like continue to appear on our common ground, which is any grass area. These plantings, etc., are not permitted without prior Board approval. Items such as these hamper the lawn cutting and irrigation repair, not to mention is contrary to our documents. We are beginning a campaign to clean up our common areas to restore the natural grass areas. When you receive a letter from the Association asking you to remove these items or paint your awnings, or whatever the case may be, please do so immediately to avoid further consequences.

Do not feed the wildlife! They become dependent on our generosity which is not good for their health and wellbeing. Not only that, their feces may contain the salmonella bacteria! This is not healthy for us!!! Please read this article: www.nsf.gov/discoveries/disc_summ.jsp?cntn_id=137557.

Much health and happiness!

YOUR MAINTENANCE DOLLARS AT WORK

By Barbara Bucci

The on-going discussion today is the need to clean your gutters. Driving around the community, one can see leaves piling up and trees growing out of many gutters. As stated in the last issue, this causes damage to the fascia board. Excessive moisture also attracts termites. Now that residents are getting new roofs and then updating their gutters, which are now 6" wide, they are filling up even more. This is the owner's responsibility. If you are not able to do this yourself, you need to hire someone. Please heed this information – if not, you could be charged for replacing the rotted fascia in years to come.

Irrigation update: Hurricane Irma really put us back a whole year due to the amount of damage it caused. We are still working in Phase #3, the largest phase in LW. Unfortunately, everything takes longer than expected. The irrigation company needs to repair the breaks from the hurricane before they can address the irrigation project.

Once completed, Joanne and I will go on a wet check for the completion of that phase.

Trees: Currently, EDJ is waiting to install 48 trees. The City has marked where the trees go (need to be installed). We are now awaiting for the locate company to locate all the underground wires. This is where we are as we cannot plant any trees until we know where the wires are underground.

Maintenance: With the newly purchased water tank, we will start cleaning all the sidewalks around the clubhouse. After the first of the year, we will start cleaning the sidewalks around the plexes. The Maintenance department is still working on updating the men's and women's lavatories at the Satellite. Once done, it will be brand new, from the floors, to the stalls to the showers – new tiling, new toilets and new showers.

Happy Holidays from the Maintenance Department.

IMPORTANT INFORMATION REGARDING YOUR NEW ROOF

Your new roof should not be pressure washed or painted for at least seven (7) years. You cannot paint or clean the flashing above the fascia board. It must remain in its original, white condition.

You, your agent or contractor should not walk on the roof.

If you have any leaks or concerns about your roof in the future, you should immediately contact our Maintenance Office at 954-473-2595.

If you, your agent or contractor walk on the roof, wash it, paint it or perform any maintenance or repairs, you, as owner, will be responsible for any and all costs of repairs or replacement of the roof in the future as you will void our contractor's warranty.

If you have any questions or concerns, please do not hesitate to contact me, Barbara Bucci or a member of your Board of Directors.

Thank you for your anticipated cooperation.

MAINTENANCE PROCEDURE

If you have a situation which needs the Maintenance Department, you **MUST** contact Edna in the Maintenance Office **directly** at 954-473-2595 or by email: maintenancedept@lauderdalewest.org. **DO NOT ADDRESS OUR MAINTENANCE STAFF CONCERNING YOUR ISSUE.**

When you call the Maintenance Office, you will receive a **work order number** which you will need to **KEEP** until your job is completed.

You will be given a time frame when Maintenance will come to your home. **IF THE WORK TO BE DONE IS INSIDE YOUR HOME**, please make sure you are home or your **work order** will be closed and you will need to call and make a new appointment. If the work to be done is outside your home, you do not need to be at home when the work is done.

Please do not address our Maintenance staff concerning your issue – this will only delay your job getting done. **Remember – contact Edna in the Maintenance office at 954-473-2595, Monday – Friday 8 a.m. – 4 p.m. or email: maintenancedept@lauderdalewest.org and get a WORK ORDER NUMBER.**

FOR ADVERTISERS: Ad copy and payment is due by **noon** on **December 19** for the **February-March 2019** issue. **ALL COPY AND PAYMENT IS DUE BY NOON ON THE DEADLINE DATE.**

The Newspaper Office is now open Monday, Wednesday, and Friday from **9 a.m.** until **noon**. We can be reached through email: news.lauderdalewest1@gmail.com.

As per our editorial policy, all material submitted is subject to editorial discretion.

If the deadline dates change due to holidays or weekends, we will print the changes in the previous issue's newsletter and post it at the Newspaper office.

MAINTENANCE ISSUES

There have been some issues over the last few months regarding our Maintenance department and what they will charge for certain services. Please read:

REGARDING EMERGENCY CALLS: When you call Maintenance after hours, make sure you truly have an emergency and not a situation that can wait until the next business day. If one of our Maintenance staff goes to your home and it is NOT a true emergency, then the homeowner will be billed for the overtime expense. An example of this would be one toilet is clogged, but you still have another working toilet.

REGARDING EXCESSIVE MAINTENANCE CALLS DEALING WITH THE SAME PROBLEM: It is during the first visit that the resident is instructed what is needed to correct the problem. It is the second, third and sometimes the fourth call that shows the resident does not always comply but continues to call Maintenance.

The Board has discussed this and has decided to start charging residents who do not comply and fix the problem. After the second visit for the same problem, the resident will receive a letter stating the problem and the need to fix it. If there is a third call, the resident will then be charged \$50 for non-compliance as well as the cost of the maintenance call for the problem. An example of this would be if the resident keeps calling maintenance for a clogged toilet – it is found that the resident is flushing cleansing wipes into the toilet (even those stating they are flushable). After the second visit, the resident will receive a letter stating they should not flush anything except toilet tissue down the toilet. If there is a third call for a clogged toilet due to cleansing wipes, the resident will be charged \$50 plus \$300 for the repeat plumbing call.

BAIT BOXES – UPDATE

Throughout our community, there are rodent bait boxes set up by our pest control company, Dead Bug Edwards, to deter/kill rats/rodents. We live in a watered community and wherever you have water, you are more susceptible to rats.

Each box is numbered and has been specifically placed in the rear of the property against the house. Each box is marked on a map.

The boxes are filled with **poison**.

Do not **TOUCH** the boxes.

Do not move the boxes.

You will be **fin**ed if the box on your property is not in its designated position.

If a rodent problem occurs, call maintenance at 954-473-2595 and report it.

Broken or missing bait box replacement cost is \$22.

We will charge the resident when one is missing.

In January, we will begin upgrading the boxes to new, heavier ones as mandated by the State of Florida.

Again, please **DO NOT TOUCH - POISON**

ATTENTION SNOWBIRDS

Welcome back to sunny Florida and Lauderdale West. Before you get too settled in with all your activities, please take a moment to come into the LWNews office, room 121 in the Main Clubhouse, and change your address to receive the LWNews here. It only takes a minute so you will be all set to receive the paper and be up to date with all the activities and shows that are taking place. If you have changed your phone/cell number(s), please update with the Application/Approval office(former Sales/Rental).

SHUT OFF VALVES

If you are remodeling a kitchen or bathroom and you are putting in a new sink, counter or vanity, it is your contractor's responsibility to move the turn off valves for access to shut off the water.

NOTICE FOR ACTION

ATTENTION CLUBS AND ORGANIZATIONS

Re: Room/Court Usage

It is that time of the year again when all the activities get busy as our snowbirds have returned and everyone loves to be busy.

All groups and clubs, including card/game playing, and outdoor sports groups using any LW facility needs to meet with the room coordinator and sign up for room/court usage. Last year we had 100% cooperation and are hoping for the same this year.

By signing up for room/court usage, you have your room/court reserved for the day and time(s) you want; you will have your activity printed on the calendar; you will be listed in our Clubs and Contacts list in the LWNews; be on our website; and your activity will be listed on the appropriate day/time on Channel 8001.

Please contact Micki at 954-473-1891, ext. 128, make an appointment and set up your activities for the upcoming year as soon as possible to ensure there will be no interruption of your room/court usage or advertisement of same. Thank you for your cooperation.

NOTICE TO LANDLORDS

If you have purchased a property in Lauderdale West within the last year and you are thinking of renting it out before the 1 year waiting period, please be advised that you will be fined \$100 up to \$1000, and those to whom you rent, will be evicted. Please abide by our DOCs.

BUYER BEWARE

When you need to hire someone to do work in your home, be sure to check the insurance and license of the person. The person/company needs to have a current license issued from the City of Plantation if their business is within the City. Be sure to see a copy of their insurance to confirm they have coverage.

Whatever you do, **NEVER** hire someone who just knocks on your door and offers to do any/all work for you. This may cost you in the long run for poor workmanship and problems that could arise which they cannot pay for. They may also rip you off and cause more damage to your property.

Do not wait until there is a problem and wish you had hired a licensed/insured worker.

VERY IMPORTANT INFORMATION

We have been asked by the Waste Management Company to remind our residents NOT to put glass and/or mirrors out for pickup – regular garbage or bulk pick up. These create a hazardous situation due to the ease at which they break. Thank you for your cooperation.

FROM THE EDITOR

We wish to thank all of you for your submissions. Unfortunately, room does not allow us to include everything. Decisions on what to include are made by an Editorial Board.

We want to encourage you to continue to submit articles of interest to our community and letters to the editor. We want to include a wide variety of writers and ideas. Again, we cannot always use everything we receive. Thanks for all of your support.

SAFETY DO'S

We all really need to pay special attention to our personal safety here in Lauderdale West and wherever we should travel. How, you may ask? Please follow the guidelines below and we will succeed:

- Let us not open the door to anyone we do not know and did not invite
- Let us double check with the utility company if a worker just knocks at your door. Call the company to verify the work order for your home (FPL; AT&T; Comcast; Plantation Utilities, etc.)
- Let us always lock our doors, in our home and in our cars - ALL the time
- Let us not give anyone our personal information, especially our social security numbers or bank account numbers
- Let us not walk alone - use the buddy system and walk during daylight
- Let us all post our No Solicitation signage and not be afraid to call the Police's nonemergency number (954-797-2100) - it is good to be safe rather than sorry.

FREE TO A GOOD HOME

We have a couple of tins containing loose buttons and assorted "older" sewing supplies. If you can give them a good home or know someone who can, please contact the LWNews office, Monday, Wednesday or Friday morning.

OFFICE PROTOCOL

For our Board to be more efficient in the handling of their responsibilities (duties), a procedural policy has been instituted:

1. Please make your first stop the Administrative Office, room 108;
2. Let them know the area of your concern.
3. The Administrative Office will then let the Board member overseeing that area know you are waiting in the lobby.
4. All persons are discouraged to walk into the President's office or any other Board member's office with their concerns.
5. All persons are discouraged from lingering around a Board member's door waiting to be seen – Please wait in the lobby where you will be called when it is your turn.

EVERYONE'S TIME IS IMPORTANT AND THIS WILL HELP IN HAVING OUR RESIDENTS SEEN IN A TIMELY FASHION.

We ask for your cooperation to enable the Board to budget their time to conduct the business of Lauderdale West. Thank you.

EMERGENCY EXIT DOORS

In the Main Clubhouse there are double glass doors that are alarmed for security purposes. There is red signage on each door stating that it is an **Emergency Exit - Do Not Use**.

If you choose to ignore this signage, you will receive a letter stating not to use the doors and if you do it again, you will be fined \$50. Please - obey the signs.

SWIMMING POOL RULES

This is just a reminder that everyone must follow the posted pool rules, especially:

- Do not prop open a pool area gate
- Shower **BEFORE** entering the pool as this is a Health Department regulation
- Do allow residents who are swimming laps the right of way if you are just standing, walking or talking in the pool
- No diving allowed
- Children must be supervised by an adult, at all times, in the pool area, especially when they are in the water
- No jumping, running or loud noise in the pool area
- No food or drink or glass in the pool area
- Vacate the pool area during rain, thunder or lightning – sitting under the metal awnings is dangerous

The Lauderdale West Community Association reserves the right to deny the use of the pool or pool area to anyone at any time for just cause.

LAUDERDALE WEST VIOLATION PROCEDURES AND FINES

LAUDERDALE WEST VIOLATION PROCEDURES AND FINES

When a resident violates a rule, the following is the procedure in the Fining Process:

Procedure:

1. A resident in violation will receive an initial letter regarding a maintenance/violation issue.
2. A recheck of the property will be performed and if necessary, a second letter is sent regarding incomplete issues.
3. If the incomplete issues are not corrected within 15 days from the date of the second letter, Board approval will be obtained and a Certified letter will be sent stating the fine which is to be paid within 30 days from the date of the Certified letter. You will be notified that the Board will discuss your issue. You can attend the Board meeting but you CANNOT speak at the LW Board meeting concerning your issue.

This letter will also state that Lauderdale West will proceed to do the work and charge the resident for the work **in addition to the fine.**

When a resident receives the Certified letter stating the levied fine(s), the resident has the right to a hearing before the LW Fining Committee, within 15 days of receiving the Certified letter.

If the resident would like to request a hearing, the resident needs to go to the Main Clubhouse, fill out the Right to Hearing Form and turn it in to the Board Director overseeing the Fining Committee within the 15 days. You will be allowed to speak to the Fining Committee concerning your issue.

The Fining Committee, which meets two(2) times a month, will make the ultimate decision to confirm or reverse the fine. The Fining Committee is comprised of owners from each of the four(4) phases in Lauderdale West and one additional owner, the Chairperson.

Second or subsequent offense of same violation within six(6) months– automatically doubles the fine.

COPING WHEN YOU LOSE THE LOVE OF YOUR LIFE

By Robert Wright, Jr., Ph.D., COFT

Recently, my beloved wife Christine passed away after a valiant fight with cancer. The death of a close loved one, puts you in a club that almost no one wants to belong to: a place of heartfelt sorrow, disappointment, sadness and “what ifs.” The death of your spouse is like no other because usually your spouse knows you better than anyone else on the planet—your good points as well as all your warts and blemishes—and they are your best friend who always has your back.

When grief strikes, even when you are prepared for it, the experience can still be surreal since you may not be able to tell what you’re feeling as the experience begins to seep into every pore of your being. Many people initially feel numb or simply “out of it” while others may immediately go into denial.

The mental and emotional toll the death of a close loved one can have on you is often a heavy load to bear since there are so many unknowns within the grieving experience. For instance, you may begin to beat yourself up, wondering “Where did I go wrong?” “What if I had listened and done things differently?” When you are in such a heightened feeling state, it’s important to be gentle with yourself and minimize self-blame.

With hindsight, many things could have been done differently. But, it’s also important to acknowledge that most likely, since you had good intentions, you made the best decisions possible under the circumstances, based upon the information you had at the time.

Since the death of a close loved one can cause you to feel and experience deep emotions such as guilt, numbness, sadness, depression or regret all at once, here are a few tips you can use to steer your path through the grief maze:

Acknowledgement: You must move past denial that your loved one has died and that your life will never be the same. Although this may be a painful realization for you, the sooner you can do this, the more likely you’ll be able to regain your equilibrium.

Grieving is Unique: There is no right way or wrong way to grieve. Don’t allow others to tell you how or what you should

be feeling. There is no “normal” way to grieve, however, should you become depressed or experience complicated grieving, then you need to seek professional help.

Accept Support: Research studies demonstrate time and again that you’ll have a better chance of recovering and being able to move on with your life when you have and use a social support system. Allow others to assist you at this difficult time since studies show that when you isolate yourself, you increase your risks for depression and anxiety disorders.

Re-Engage with Life: A key aspect of healing grief is to start re-engaging with people and activities that make you come alive. Perhaps you used to dance; so, start shopping for some new dancing shoes and go dancing! The fact that you lost your close loved one should create a new awareness that putting things off “until I retire” may not be the best strategy for living a full life.

Seek Professional Help: For most of us, negotiating the territory of grief is not an easy experience. Consider reaching out to your medical doctor, therapist or other health practitioner for advice should you feel “stuck” or unusually despondent. Remember, getting professional help when grieving is not a sign of weakness but of strength!

Remember to Celebrate: This may seem counter-intuitive but the more you focus on the good times and fond memories you have of your dearly departed love one, you may find yourself chuckling unexpectedly and smiling more often as you clearly recall the good times you had together. Consider placing a few favorite photos in your purse or briefcase to look at regularly. Perhaps you’ll experience what I felt: a lifting of a gloomy cloud of sadness to one of joy and relief that my sweetie pie is now resting peacefully without pain—and that the world is a better place because of her generous actions just like in the movie “It’s A Wonderful Life” starring Jimmy Stewart and Donna Reed.

spin the wheel

original poetry by Lydia Shutter

the cosmos has assembled
 over here
 step right up
 climb the sun's ladder of dust
 the line forms to the right
 don't be shy now
 take your chances
 spin the wheel
 round and round she goes
 where she'll stop nobody knows
 except madame fate
 and she harbors no intention
 of revealing her hand just yet
 ah, but admit it
 when the orb descends coquettishly at midnight
 you too will be mesmerized
 hoping
 anticipating
 2019 will open her arms
 one more time
 the world will be saturated
 with hope and possibility
 so spin the wheel my friends
 be daring
 yes, take a chance

happy new year, lauderdale west!

ARLINE MARCUS

By Micki Gaughan

Arline first joined the Board of Directors in 1995. She immediately took the position of Recording Secretary. Throughout the many years of volunteering, she held other positions as well: Assistant Treasurer, Financial Secretary, Vice President, Assistant Secretary and Secretary, which she held until her retirement in October 2018.

When she wasn't working on Board issues, she was active in the social aspect of Lauderdale West. Along with her husband, Charlie, they acted in many of the productions here. Arline sang with the Spectaculars; played cards and dominoes – always enjoying the many amenities Lauderdale West has to offer.

Arline always put her energy to work for LW, to keep it the very best community to live in – the best in maintenance, social life and the best in that true feeling of community.

We thank you, Arline, for your many years of volunteering and helping to make LW the fine community it is today.

FIRE PREVENTION

By E. Laney Steams, Fire Chief

Hello neighbors. The holiday season is upon us. This is such a special time to get together with family and friends and enjoy the simple pleasures the season brings.

The members of the Plantation Fire Department want everyone to have an enjoyable holiday season, so here are a few tips to help keep everyone safe.

The holidays are a festive celebration of color and lights. Candles bring a sense of warmth to a home. But they also create a tremendous fire hazard. Candles are one of the leading causes of home fires. Technology has given us LED lights which simulate candlelight very well, are perfectly safe, and use very little energy. Spread them around and enjoy the atmosphere.

A holiday tree really brightens a home, but remember to keep water in the bottom at all times. And, when the needles start to fall, it's time to dispose of it. Dry holiday trees are highly combustible and burn very quickly.

In the movie Winter Vacation, Chevy Chase spread extension cords all over his home which caused a huge explosion. That could happen. Use only single extension cords, ensure they are not frayed or broken, do not run them under carpets, and do not overload circuits. Use multi-plug boxes with proper circuit breaker protection.

Finally, while the holidays bring good cheer and fellowship, a significant segment of our population may not feel so festive. The holiday season is one of the highest times of the year for suicides, particularly among the elderly. Keep an eye on all your friends, neighbors, and loved ones. If something doesn't seem right, reach out to them, and get help as soon as possible.

We want everyone to enjoy the holiday and make great memories for years to come. Whether you celebrate Christmas, Hannukah, Kwanzaa or just the joy of the season, your friends and neighbors at the Plantation Fire Department wish everyone a safe, happy, and festive holiday season.

DOWN MEMORY LANE

With *Stu Sosniak*

How ya doin' gang?

I hope everyone is doing fine at our wonderful community, Lauderdale West. Sandy and I want to wish everyone a happy and healthy New Year. Let's turn our thoughts to America's number one sport, professional football. The debate with sports fans always rages over who's the best quarterback. I made a list of the greatest pro football quarterbacks in history. With apologies to the others who didn't make the final cut, here are the best field generals in pro football history:

Johnny Unitas (Louisville): The Colts got him for \$7,000 after he was cut by the Steelers in 1955. With his high-top shoes and crewcut hair, he was the General Patton of pro football. Throwing to Ray Berry and Lenny Moore, Unitas led the Colts to victory in football's greatest game, the '58 overtime Championship Game. He was simply the best.

Bart Starr (Alabama): The quiet leader and ultimate player was drafted by Green Bay in the 17th round in 1956. Starr led Vince Lombardi's team and winning five championships and the first two Super Bowls.

Fran Tarkenton (Georgia): A running back in a quarterback uniform with his frantic scrambling and elusive durability, he took the Minnesota Vikings to three Super Bowls.

Joe Namath (Alabama): Football's first "Bonus Baby", with his long hair, white shoes, weak knees, stooped shoulders, dynamic personality and rifle arm, "Broadway" Joe signed with the Jets in 1965 and changed the game forever. In 1969, he gave the AFL credibility by leading the Jets over the Colts in football's greatest upset

Roger Staubach (Navy): Drafted in 1964 in the tenth round, clean-cut Roger "the Dodger" made Tom Landry's Cowboys

into "America's Team". With his insane desire to win, he became the greatest complete come-from-behind quarterback in history.

Terry Bradshaw (Louisiana Tech): The tough, free spirited number one pick in 1970 overcame a rocky start to become the heart of Pittsburgh's dynasty, leading them to four Super Bowl victories.

Joe Montana (Notre Dame): The perfect leader for Bill Walsh's San Francisco 80s offense, he was a three- time Super Bowl MVP. When the game was on the line, he was the greatest two-minute master. He was also good the other 58 minutes.

Dan Marino (Pittsburgh): It's hard to believe 26 players were chosen before him in the 1983 draft. The best quarterback who never won the Super Bowl was the driving force for Don Shula's Dolphins in the 80s and was the finest pure passer of the modern era.

John Elway (Stanford): The first player taken in 1983, he was also drafted by the N.Y. Yankees. Winning two Super Bowls, Elway was a human highlight film and always excited the fans in the stands.

Brett Favre (Southern Mississippi): Top gun of the 90s, smart, accurate, physically tough and competitively confident, he brought Green Bay to the top.

Peyton Manning (Tennessee): The first pick in 1998, he lifted the Colts teammates and franchise to new heights with his masterful touch and gallant leadership.

Tom Brady (Michigan): Drafted in the sixth round, Brady never lost a big game, time just ran out. A five-time Super Bowl champion and MVP before he was 28, in 2007, he broke every major single season passing record.

Photos, ideas and suggestions are always welcome. Please call Stu at 954-475-4214. Until next time, make these times at Lauderdale West your "good old days" of tomorrow. Happy trails you... until we meet again...

THE POINSETTIA

By Ingrid DeMofetta

The Poinsettia, also known as Christmas Star, is an important plant species of the diverse spurge family (Euphorbiaceae). It is particularly well known for its red and green foliage and is widely used in Christmas/Holiday floral displays. Poinsettias received their name in honor of Joel Roberts Poinsett, who introduced the plant to the United States in 1828. Poinsett was a botanist, physician and the first United States Ambassador to Mexico. This species is indigenous to Mexico.

The colored bracts, which are often mistaken for the flower, are most often flaming red, but can also be found in pink, white, yellow, purple, salmon and multi-colors are actually leaves. The colors of the bracts are created through photoperiodism, meaning that they require 12 hours of complete darkness for at least 40 days to change color. Any incidental light during these nights (like from a nearby television set or from under a door frame) will hamper bract production. At the same time, the plants require abundant light during the day for the brightest color.

In the US there is a common misconception that the poinsettia is highly toxic but are only mildly toxic to cats and dogs. Among children it would be mildly irritating to the skin or stomach if eaten. More recently, because of the influx of iguanas, the Poinsettias that are planted or placed outdoors will be at their mercy. It is a plant that the iguanas love to eat.

WHO IS STEVE TAYLOR?

By Dan Metrick

Steve was born on February 6, 1945 to Roy and Dotty Taylor in the Bronx, New York.

He went to P.S. 115, which was K-6; followed by P. S. 79, Junior High School, 7th through 9th grades. Next was Roosevelt High School in the Bronx.

After graduating high school, he was drafted into the Army in 1963. He served in Germany, being honorably discharged in 1965. Steve had a position waiting for him at ADT Security where he was employed for 37 years.

Steve met the "love of his wife," Estelle, at the YMNA in Manhattan in 1966. They immediately fell in love and were married a year later, on April 2, 1967. Steve and Estelle have two beautiful daughters and five stunning grandchildren.

In 2005, Steve and Estelle retired and moved to Lauderdale West. Upon moving here, he took on the position as head of security for Lauderdale West, patrolling the grounds. He was always a member of the Lauderdale West Men's Club, which is now the Lauderdale West Social Club. Not only is Steve president of the LW Social Club, but he is also in charge of the Hobby Shop; overseeing all of the wonderful toys and projects being made to serve others.

We should all thank Steve for his service to our community. Well done, Steve, and keep up the great work.

WOMEN OF LAUDERDALE WEST, INC. FOR “KIDS IN DISTRESS”

By Pinky Trapani

At our October 2 luncheon, forty-four women were educated by the “Pampered Chef.” The event consultants were Melody Trapani and her associate, Marcy Crosby. The proceeds will be used to buy articles for the “Kids in Distress.” Door prizes were won by Micki Gaughan and Sandy Burd. Chuck-a-buck was won by Shirley Jenkins.

October 30 was a bus trip to “Charming Charlie.” Mae Urist thought of this wonderful outing and scheduled the bus transportation. Cost was \$8 per person.

At the November 13 luncheon, the guest speaker was Lynn Brayden, Outreach Program (S. A. L. T.). The main event at this luncheon was the “Angel Gift Tree.” This tree had the names and gift ideas for the “Kids in Distress.” Our members selected a card off the tree to bring a gift back by December 4 for the big Holiday party for the Kids. The party will be at their campus on December 18. Our own Bill Schmitt has volunteered to play Santa Claus with his three Elves. Mr. Scott Biederman, of SCI Roofers, has made a generous donation to pay for milk and cookies for their party.

December 4 will be our Holiday Luncheon. A special thank you to Esther Ann and Leda for coordinating this Luncheon. Two fun things during this luncheon: Gift exchange for members who want to participate and an “open” dessert table. All members can bring a special dessert for everyone to try if they like!

December 18 is the Holiday Party for the “Kids in Distress” at their campus, as mentioned above, with gifts, Santa, Elves, FUN and of course cookies and milk!

To date we have purchased and given to the “Kids in Distress”

- Three state of the art “Grow With Me” car seats
- \$1,200 in school supplies
- Donation of books, puzzles and games

Well, that about does it for now. We women can do a lot, so please join us. Our membership starts now for 2019. \$25 for the year goes for a GREAT cause. We would LOVE to have your ideas and help!

PLAY POOL?

Lauderdale West is very fortunate to have 5 pool tables and 1 billiards table upstairs in the Main Clubhouse. The tables are calibrated regularly and there are pool cues available.

On Monday, Wednesday and Friday afternoons at 1 pm and Thursday evenings at 7 pm, there are folks playing and they are always looking for more players. Why don't you join in the fun and join them?

BOCCE NEWS

By Al Gaeta

The weather has been rainy, hot and humid, making it hard to play each week. Our team of loyal players could not play. Next year with the vote of our players, we may not play at all in June, July and August.

We have a new player, Sherry Woodall, joining us. And I have heard from Mark Katcher and Jeff Schneider, who are up north, they will be back soon. Carmelo Geron is back. Veronica Jamiel (94 years young) and Maryannnn Brinko are back teaming together to win each week. Carlos and his wife Rose will be moving, and we will surely miss them.

We hope more players will join us every Wednesday at 6:30 pm. We would love to teach you to play and have you enjoying the game of Bocce.

PICKLE BALL

Pickle Ball is alive and well at Lauderdale West. The fastest growing sport in the US – a cross between tennis, ping pong and badminton – but easier on the knees and less running - is here.

If you are interested, court #3 at the tennis courts has pickle ball lines ... and it is free. Come and give it a try.

HASSADAH HAPPENINGS

By Susan Rose

Hadassah is an international non-profit organization, whose researchers have received 60% of National Science Foundation awards for biomedical research. They have had 650 scientific papers published, participated in 200 sponsored clinical studies and conducted 300 investigator-initiated studies. Everything that is learned is shared with foreign doctors and researchers. Through our fundraising efforts thousands of people worldwide (in America too) have received treatment that has saved lives.

The Holidays are upon us. We are busy planning activities that will help raise money for Hadassah's research and development and will also be fun and social. Bring a friend or come alone and make a friend.

Dec 11 we are having a lunch bunch at the Kings Point Diner on Nob Hill, just north of McNab. Everyone donates \$5 to Hadassah and pays for their own lunch. There is always lots of talking and exchanging of stories. We hope you will join us. Call Phyllis at 954-472-1007 to RSVP so we have enough tables. Then, we will be having our General Meeting December 18. We're having a pizza party and everyone is sure to have a wonderful time!

Whatever holiday you celebrate, enjoy it with family and friends.

We hope 2019 will be the best one yet. We're looking forward to plenty of good times. On January 8, we will be having our Lunch Bunch at Grande Pizza on Sunrise Blvd. Everyone orders their own lunch and makes a \$5 donation to Hadassah. Phyllis takes the RSVP at 954-472-1007, so we have enough room for everyone. Friends and family are welcome and there is a diverse menu to order from. On January 15, we have our General Meeting which will include the installation of our new board and a fun afternoon. We will be bringing back Bingo on January 20. Let's make it a successful event by bringing lots of friends and neighbors. You will get a Bingo pack and a jackpot sheet for just \$10. Refreshments are served, and you may be lucky enough to win a game or two. Doors open at 5:30 pm and we start promptly at 6 pm.

If you have questions about Hadassah, please give me a call, Susan at 954 424 8494.
