

## How to fix garbled Blue Steam TV Closed Captions (CC)

This process needs to be done on each TV

1. Press the green 'TV Pwr' button on your TiVo remote control
2. Press the silver 'TiVo' button once
3. Press the left arrow on the navigation wheel to show 'Menu'
4. Press 'OK'
5. Use the right navigation arrow to move to 'SETTINGS'
6. Press the down navigation arrow to highlight 'Accessibility'
7. Press 'OK'
8. Press the down navigation arrow TWICE to highlight 'Closed Caption Preferences'
9. Press 'OK'
10. Use the left navigation arrow to change 'Standard Captions' from CC1 to None
11. Leave 'Digital Captions' at DTVCC1. Feel free to change any of the text of background options.
12. Press the 'Live TV' button to watch live TV.

**TIP:** To turn Closed Captions on or off, press the *i* (information) button followed by pressing the 'OK' button.
